SOUTH CAROLINA MUSIC EDUCATORS ASSOCIATION ORCHESTRA DIVISION SIGHT READING COMPOSITION PROJECT

Greetings and thank you for your interest in composing music for South Carolina's Adjudicated Orchestra Festival. The purpose for this project is to provide original compositions annually for young string orchestras to sight read that accurately follow guidelines set for each specific graded level of technical and musical difficulty.

Specific information about string orchestra composition requirements for grade levels .5 - 4 can be found on the subsequent pages. Pieces that do not follow the requirements will be discarded or possibly sent back to the composer for revision.

8 pieces will be selected: 1 of grade .5, 2 of grade 1, 2 of grade 2,

2 of grade 3, 1 of grade 4

When submitting, the composer must designate what grade level(s) the piece is intended for. By entering the piece in multiple grade levels, the judges have flexibility to use the piece where it fits best in the grading scale.

Submissions must be submitted electronically through the following Google Form Link by October 26, 2018. A committee of 3 string educators will review and vote on selections. Selections will be made and winning composers will be notified by Dec. 1. If selected, the composer will be awarded a \$500 honorarium. The piece of music will be used by the South Carolina Music Educators Association-Orchestra Division until May 1 of the following year. During that time, the work must remain unpublished or distributed in any way except for use in the State Performance Assessment.

Scores and parts should be included. Composer name CANNOT be visible on any parts or scores. Composers may submit as many compositions as they wish. Compositions may be resubmitted the following year if not chosen.

- Composers should sign the agreement included in this packet and submit with each composition.
- Not required but suggested: an electronic copy of the piece in music notation software such as Finale or Sibelius

Questions and concerns can be to the attention of Arlyn Mills, chairperson of the State Performance Assessment Festival Sight Reading Committee. arlyn.mills@spart5.net

Guidelines and rules presented in this document provide criteria for originally composed music appropriate for sight reading repertoire two (2) levels lower than prepared music at the South Carolina Adjudicated Orchestra Festival. Music submitted for approval must adhere to these guidelines for grade levels .5 - 4 string orchestra music.

Compositions that are chosen by the judging committee are most likely to err on the side of simplicity within the allowed guidelines in regards to musical elements such as key signature, tempo change, and instrument ranges. If a piece contains musical elements that are on the extreme difficulty level in one area, maintain simpler ideas in other elements. Example: Avoid changing from the key of D major to A major with accelerando and pushing a section into an extreme upper range with shifting. All of these elements might be acceptable under the guidelines, but combined create music that is impractical for sight reading performance.

General rules for all submissions:

- No D.S. or D.C. al fine; repeats and 1st and 2nd endings are acceptable
- Only commonly used terms and tempo markings such as: Presto, Vivace, Allegro, Allegretto, Andante, Moderato, Largo and Adagio
- Only commonly recognized articulation symbols such as:

• Only commonly used expressions such as:

- A bowing marking should be indicated after every rest in grade level .5, 1, and 2.
- There should be rehearsal markings (Letters or Numbers) frequently throughout the selection
- Suggested page lengths for parts:

Grade .5 and 1: 1 page Grade 2: 1 or 2 pages Grade 3 and 4: 2 pages

Conductor score pages are not limited.

- Solo passages should be avoided or offered as choice of solo or soli
- Tonalities can be major, minor, or modal with key alterations appropriate to grade levels as indicated on subsequent pages.

Grade Level .5 (Beginner)

Key	Keys with 1 or 2 sharps with no key changes.						
Meter	No meter changes No tempo changes Tempo options: allegro, moderato, andante, largo						
Rhythm	and corresponding rests						
Length	1 page parts (score pages not limited) Maximum of 2 minutes						
Left hand concerns/ Shifting/	Mark in appropriate/optional use of 4 th finger in violin and viola parts.						
Range	Acceptable violin range and pitches						
	Acceptable viola range and pitches						
	Acceptable cello range and pitches						
	Acceptable bass range and pitches						
Bowing Technique	No slurs, hooks, or ties.						

Key	Keys with 1 or 2 sharps with no key changes.							
Meter	No more than 1 meter or tempo change. Tempo options: allegro, moderato, andante, largo							
Rhythm								
Length	1 page parts (score pages not limited)							
	Maximum of 2 minutes
