Dear Prospective Member,

The SC ASTA Board would like to welcome you back to the new school year with these exciting program offerings! We truly hope you will consider joining us for this exciting year of opportunities for both you and your students! Please see our website for upcoming events including our monthly professional development webinars to annual events including Cello Choir, Double Bass Workshop, and Violin & Viola Choir. All of these events can earn hours towards recertification while expanding your connection through career-building activities. Membership is open to all private tutors, homeschool, and public school string teachers.

Benefits of Membership:

- State Chapter & National Membership
- Tools to make your job easier and more efficient
- Access to American String Teaching Journal & String Research Journal
- Connection and Community through monthly webinars and state conference
- Professional development, local networking, and learning opportunities
- Leadership and career-building opportunities
- See more benefits from scanning the QR code

How to Join or Renew:

There are several ways to pay for your membership!

1. With school supply check
2. With school funds (ask your Principal-this is a membership with direct student benefit and performance opportunities)
3. Professional development funds through Title IV
4. Out of pocket – the fee is always tax-deductible when filing your taxes

Meet the SC ASTA Board:
